October 2016 Employee of the Month

Officer Matt Hermsmeier

Officer Hermsmeier was nominated due to his Community Policing skills and the unique program he put into place to improve interaction with the community, specifically with children. Officer Hermsmeier has been very active with the youth of our community through programs such as Teen Reach and the Parson Youth Center. He has found a way to further his connection to youth through the use of a radio control (R/C) QPD squad car. Officer Hermsmeier came up with the idea and enlisted the assistance of the Quincy Citizens Police Academy Alumni Association to purchase the car. He takes the R/C car to schools, day cares, and a variety of child support organizations and programs. You often see pictures of Officer Hermsmeier and various youth throughout the city, as he takes the time to make those connections leading to a more positive relationship between the community and the police. Furthermore, he is currently appointed to the Quincy Human Rights Commission and to Adams County Drug Court as the department liaison. He is quick to stand up for what is right and the things he believes in. Officer Hermsmeier is a positive role model for both youth and other officers of our department.
